Oozing with vintage elegance, this collection of 12 x 18 inch ceramic elevation wall tiles by MyTyles revives the rustic, old-world glamor of striped and staggered layouts. Decorated with nuanced and ridged precision digital prints, the exceptionally sturdy body of these ceramic tiles evokes a heart-warming warmth while enhancing the look and feel of authentic stones through the dated use of speckles and radiance in an authentic palette. Adding an ethnic, aged appearance, this collection of elevation tiles consists of warm sienna, cool toned cream and a dark nero with a particularly striking finesse from the satin matte glaze.
